On behalf of all the members and the Executive team of the Disaster Recovery Information Exchange, Ottawa Chapter we would like to express our gratitude for your participation at our 13th Annual Conference and Trade Show.

The success of our chapter is dependent on organizations like yours taking the time to attend and provide financial support. Your sponsorship this year was a contributing factor in making this event one of the best since we started holding this day-long venue of information sharing and networking.

Thank you very much again and we look forward to working with you in the future.
